Dallas, TX (May 14, 2012) - THE MEDICAL TEAM, INC. today announced that its Medicare Certified Home Health program in Dallas, Texas has received accreditation from CHAP (Community Health Accreditation Program), the accrediting body for community-based healthcare organizations. CHAP accreditation demonstrates that THE MEDICAL TEAM meets the industry's highest nationally recognized standards. Rigorous evaluation by CHAP focuses on structure and function, quality of services and products, human and financial resources, and long term viability. Through CHAP accreditation, THE MEDICAL TEAM is deemed by CHAP and has been recommended for approval as a Medicare Provider.

"We are very pleased that THE MEDICAL TEAM chose CHAP accreditation," said Terry A. Duncombe, CHAP President and CEO. "Voluntarily selecting to achieve CHAP accreditation and meeting our high standards of excellence demonstrates THE MEDICAL TEAM's commitment to quality. CHAP is delighted to work with their entire team through the ongoing process of quality improvement."

About CHAP

CHAP is an independent, not-for-profit, accrediting body for community-based health care organizations. Created in 1965, CHAP was the first to recognize the need and value for accreditation in community-based care. CHAP is the oldest national, community-based accrediting body with more than 5,000 agencies currently accredited nationwide. Through "deeming authority" granted by the Centers for Medicare and Medicaid Services (CMS), CHAP has the regulatory authority to survey agencies providing home health, hospice, and home medical equipment services, to determine if they meet the Medicare Conditions of Participation and CMS Quality Standards. CHAP's purpose is to define and advance the highest standards of community-based care.
