Brig. Gen. Fausone Joins THE MEDICAL TEAM as Veteran Advocate

Livonia, MI (July 20, 2011) - **THE MEDICAL TEAM, INC.** today announced that Brig. Gen. Carol Ann Fausone (Air Force, ret) BSN, RN, MSA, MSN joins the company as Veteran Advocate. Fausone brings significant health care experience serving our nation's servicemen and women. She will spearhead development of the company's Home for Heroes initiative, a unique program of clinical care, behavioral health and support services to meet the needs of veterans who have sustained life-changing injuries. In addition, she will facilitate the company's ability to provide a range of home health services to veterans.

"THE MEDICAL TEAM is dedicated to providing high-quality, cost-effective health care services that are responsive to the needs of our patients. We are proud to serve our returning wounded servicemen and women. General Fausone has a proven record as a strong advocate for veterans and her experience makes her keenly aware of the complexity of their health care needs. Under her leadership we will add capacity to our services for veterans both locally and at the national level," says Leslie Pembroke, President and CEO.

Brigadier General Carol Ann Fausone was most recently the Assistant Adjutant General, Veterans Affairs for the Department of Military and Veterans Affairs, State of Michigan. From 2001-2005, Fausone served as the Assistant for Mobilization and Reserve Affairs working directly with the Deputy Assistant Secretary of Defense for Health Affairs, Force Health Protection and Readiness. Serving in this capacity, she assisted in developing and implementing programs, policy, and operations for Reserve Affairs.

THE MEDICAL TEAM's Home for Heroes initiative falls under its Catastrophic Care Solutions division which helps patients recover and rehabilitate at home following life-changing trauma, spinal cord or brain injuries. The program's goal is to help individuals maximize their rehabilitative potential so they can lead more productive and active lives.
