THE MEDICAL TEAM's Agencies Ranked in Top 25% of Home Health Care Providers for 2011

Reston, VA (October 24, 2011) - THE MEDICAL TEAM, INC. today announced that for the sixth consecutive year it has been named to the HomeCare Elite, a compilation of the top-performing Medicare-certified home health care agencies in the United States. The company's Brownsville, TX, San Antonio, TX, Houma, LA, and Reston, VA agencies were included in this ranking for 2011. The HomeCare Elite annual review, in its sixth year of publication, identifies the Top 25% of home health care agencies in quality of care, quality improvement, and financial performance. The Houma, LA agency has also been ranked as one of the Top 500 in the nation.

The 2011 HomeCare Elite is the only performance recognition of its kind in the home health industry and is brought to the industry by OCS HomeCare and DecisionHealth. The data used for this analysis were compiled from publicly available information. Over 9,000 agencies were included in the 2011 analysis.

"It is increasingly challenging to manage the cost/quality equation. The 2011 HomeCare Elite winners demonstrate a commitment to providing patients with the best possible care while managing their business efficiently and effectively," said Amanda Twiss, CEO of OCS and My InnerView. "This year, we updated our methodology to reflect industry focus and, based on this rigorous analysis, we congratulate THE MEDICAL TEAM, INC. on being one of the top home care agencies in the country."

"THE MEDICAL TEAM is dedicated to providing high-quality, cost-effective health care services that are responsive to the needs of our patients and clients. We are proud to again receive recognition as one of the nation's top home care agencies," says Leslie Pembroke, President, THE MEDICAL TEAM, INC.

“The HomeCare Elite designation continues to gain significance given the regulatory changes and challenges that agencies face. Agencies that have earned recognition among the HomeCare Elite demonstrated that they not only can adapt to an evolving marketplace but continue to excel in both clinical and financial outcomes,” said Marci Heydt, product manager for the post-acute care business group, DecisionHealth.
