THE MEDICAL TEAM's Reston, VA Agency Ranked One of Best in Northern Virginia and Among Top 500 Home Health Care Providers in the U.S. for 2009

Reston, VA (October 29, 2009) - THE MEDICAL TEAM, INC. today announced that its Reston, VA agency has been named to the 2009 HomeCare Elite, ranking as one of the top two skilled home health agencies in Northern Virginia and one of the Top 500 in the nation. Nearly 9,000 agencies were included in the 2009 analysis. The HomeCare Elite annual review, in its fourth year of publication, is a compilation of the top-performing Medicare-certified home health care agencies in the United States. The company's Houma, LA, Austin, TX, Brownsville, TX, and San Antonio, TX agencies were also identified in this ranking as the top 25 percent of home health care agencies in the United States.

The HomeCare Elite is the only performance recognition of its kind and is brought to the industry by OCS HomeCare, the leading provider of healthcare informatics, and DecisionHealth, publisher of homecare's most respected independent newsletter, *Home Health Line*. Winners are ranked by an analysis of performance measures in quality outcomes, quality improvement, and financial performance. Data used for this analysis was compiled from publicly available information.

"The 2009 HomeCare Elite winners exemplify a commitment to providing their patients with the best possible care while performing at the highest level," said Nancy Buller, senior director of marketing communications at OCS HomeCare. "We congratulate THE MEDICAL TEAM INC's Reston, VA agency on being one of the Top 500 home care agencies in the country."

"THE MEDICAL TEAM is dedicated to providing high-quality, cost-effective health care services that are responsive to the needs of our patients and clients. We are proud to again receive recognition as one of the nation's top home care agencies," says Leslie Pembroke, President, THE MEDICAL TEAM, INC. The company has been recognized in each of the last four years as a HomeCare Elite top performer.
